

Certificate of Registration

This is to certify that the Information Security Management System of:

Fraud.com International Ltd

Tintagel House, 9th Floor, 92 Albert Embankment, London, SE1 7TY, United Kingdom

applicable to:

The processes for the development, support and operation of Fraud.com fraud detection solutions Uidentify, aiReflex and Fcase. This includes deploying the products as SaaS solutions hosted by Fraud.com or supporting on site deployments at the customer location in accordance with the Statement of Applicability, version 1, dated 12 October 2022

has been assessed and registered by NQA against the provisions of:

ISO 27001:2013

This registration is subject to the company maintaining an information security management system, to the above standard, which will be monitored by NQA.

A handwritten signature in black ink, appearing to read 'M. Wray', is written over a large, faint, light blue 'nqa' watermark that spans the background of the lower half of the certificate.
